1. "Contribution" means all past, present and future contributions of object code, source code and documentation to the Project, however submitted by Contributor to the Project.
2. Contributor hereby grants to SRI a world-wide, royalty-free, perpetual, non-exclusive license:
  - a. Under Contributor's intellectual property rights (other than patent or trademark) licensable by Contributor to use, reproduce, modify, display, perform, sublicense and distribute the Contribution created by such Contributor (or portions thereof) with or without modification; and

If any third parties or Contributor's employer(s) or employee(s) have rights to any intellectual property embodied in any Contribution that Contributor offers hereunder, Contributor represents that Contributor has received permission to make the Contribution on behalf of such parties, or that such parties have waived such rights for Contributor's Contribution to the Project.
4. Contributor agrees that SRI shall have no obligation of confidentiality to Contributor or any other third party with respect to any Contribution or any ideas, concepts, know-how or techniques related thereto.
5. Contributor is not expected to provide support for Contributor's Contribution except to the extent that Contributor desires to provide support. Contributor's Contributions are provided AS IS, WITH ALL FAULTS, DEFECTS AND ERRORS AND WITHOUT WARRANTY OF ANY KIND (EITHER EXPRESS OR IMPLIED) INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ANY WARRANTY OF NON-INFRINGEMENT OF THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS.
6. Contributor agrees that submission of any Contribution to SRI does not guarantee that it will be accepted into the Project. SRI reserves the right to include, exclude, or modify any Contribution to the Project at its sole discretion.
7. Contributor represents and warrants that any Contribution containing U.S. export-controlled information, including but not limited to any code relating to cryptographic capabilities, will be explicitly identified in any submission. Contributor also represents and warrants that it will comply with all local laws in Contributor's jurisdiction regarding export of technical information.
8. This Agreement is to be interpreted under the laws of the State of California, without regard to the conflicts of laws principles thereof. If any provision of this Agreement is declared to be invalid under any applicable statute or rule of law, the parties agree that such invalidity shall not affect the remaining portions of this Agreement.
